

WINTER MARKET

Thank you to our volunteers!

Thank you so much to everyone who volunteered and donated items to make the winter market a great success! We earned over \$1900 which will go towards all of our students.

It was nice to see so many students getting in the holiday spirit, thinking about their loved ones, and normalizing re-used gifts.

We did get one parent notice their child purchased a purse that accidentally wasn't emptied out, so just a reminder to check over items your child bought.
