Message from PAC

Hello Families,

We hope you and your family had a fun and restful winter break. We are about at the half way point of the school year, with a lot of school and extracurricular activities ahead of us including field trips, Big House, Saleema Noon, Volleyball, planting in the outdoor classroom and a lot more.

We are doing well on the income and expense side of our budget. Many budgeted items already purchased and being used.

It looks like we will not have to hold a major fundraiser this spring, though we will offer a few

small fundraising opportunities as the year unfolds. We also are in the early stages of planning a "Parent's Social Night" in the spring.

We want to thank the Teachers, administration and the various support staff for all their work, creativity, attentiveness and dedication so far in making this a great year!

Finally, thanks to all the parents who are able to find so many different ways of helping out where they can, everything from getting your kids to the special activities (early in the morning or late in the afternoon), to those who are

able to help with hot lunch, coaching, PAC activities and so much more.

Every little bit helps, not just your kids but all kids have a wonderful school experience.

Hears to a great final five months of school!
