Message from PAC

Dear Parents,

It is hard to believe the school year is almost over, just two months to go. But there is still a lot of stuff going on at the school from music concerts to track and field. For the PAC our next big event is our second annual "Heights Night" on May 25th. It is a parent social with great food & drinks, live music, an auction and lots of fun! We hope to see many of you attend this year. This is not a fundraiser, just a time for parents to get together and get to know other parents.

Also this is the time of the year we begin to make plans for next year's PAC. Some of the parents who have worked hard over the

past several years are stepping down and we are looking for new parents to step in to help make next year's PAC work its magic again.

We would like to thank all the parents who have helped out in so many ways to help make our children's experience at Seymour Heights this year so great. Because of your generosity of time, talent and money, we have been able to put on three social events, Christmas Market, support the music program, purchase items for classrooms and books for the library, pay for field trips, special guests and events and offer support to families in our community

and much more. We hope the efforts of the PAC has helped to make this year a good one for you and your children. As always if you have any questions, concerns or great ideas please contact any member of the PAC Executive team.

Have a great last two months!
